Agenda

New capabilities

- Team meeting

Deliverables

- Product goal
- Definition of done

Capabilities

Team Meeting

All roles have been assigned

All tags are being set correctly

The process is being followed

Deliverables

Product Goal

Timeless product vision and time-bound project mission

Definition of Done

Establish agreement on feature, sprint, and project release definitions of done

Document the agreement in the project document and the issue templates

Consistently integrate your definition of done into the review process

Thank you! Any questions?
