Capabilities

Stand-up Emails

Send stand-up emails using happiness index tool at https://happy-amos.appspot.com/

● At least twice in total, on different days of the week

Feel free to have your own separate communication channels

Standup Emails

| Done	Plans	Challenges
Finished implementation of login feature	Will work on UX for user management next	Still waiting for new icon set for login!!

✈ Send Email

4

Individual Happiness

Fill in your happiness into happiness index tool

- Exactly once in a sprint, during the retrospective section of a team meeting

The window to enter your happiness for the sprint closes at midnight of team meeting day
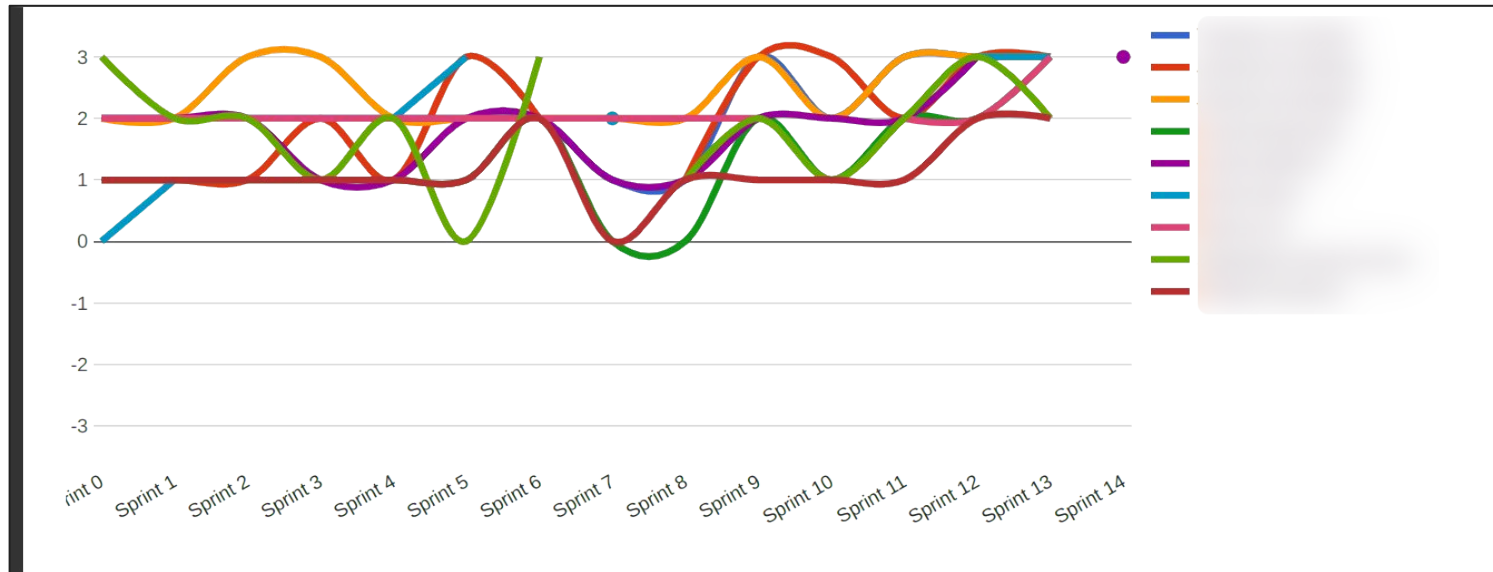

Deliverables

Team Contract

Agree, as a team, on a team contract, and provided it as part of the planning document

Everyone please "sign" (electronically, by typing your name)

Team Logo

Collaboratively design a team logo that you can live with

Team T-shirt

Create a team T-shirt design using your logo

● You can add your logo and one text

Share your design and add it to planning document

Also submit your team T-shirt preferences

● Black / white
● Male / female
● Size

9

Feature Board

Meet your industry partner this week to acquire first batch of features to develop

Add features to product backlog column of feature board

Submit board as screenshot

—

Keep doing this for every sprint from now on

Planning Document

Update planning document as needed

Submit as PDF

—

Keep doing this for every sprint from now on

Thank you! Any questions?
